Happy New Year! We hope you have enjoyed this wonderful holiday season. Eric, Madison, Julia and I sure did. Wow this year has gone by incredibly fast. Maddie is now on the National Level 4 Aim High Academy gymnastics team. We have already had 4 competitions. She has taken home medals and trophies and is really loving the sport. Julia has moved up to the Shooting Stars gymnastics team. She had her first exhibition that was truly a memory! They are still ice skating and have added Chinese class to this crazy mix of ours. Life is very busy.

With this letter you now know it is tax season. This is your friendly little reminder that it is time to talk to us again. We are now booking appointments for those of you who would like to sit down with us. We certainly encourage drop offs as well as scanned documents sent via email. Which ever you prefer is fine. If you would like an appointment kindly call us at your earliest convenience to set a time that is good for you. As you know our schedules get filled rather quickly this time of year.

Our appointments will be limited to 30 minutes so please come organized and prepared. If you do not have all documents by the time of our meeting DO NOT CANCEL. Keep the appointment and just send the missing pieces of information as they become available. You do not need to come by the office again just fax or scan and e-mail them to us. The last day for appointments, drop offs, scanned packages, etc will be April 1, 2009. Anything received after that date will most likely go on extension and be file after April 15<sup>th</sup>.

Speaking of e-mails we hope that you enjoyed our first e-newsletter. That is just one of the new enhancements for 2009 that we are offering to our new and existing clients. It is just a way to stay in touch with you throughout the year. We are trying to "go green" as we indicated. Paperless helps us, you, and the environment.

If you did not receive an e-mail let us know. We will add you to our e-mail list or you can visit our websites ([mytaxsource.com](http://mytaxsource.com) or [mycfosource.com](http://mycfosource.com)) to be added as well.

Enclosed is a brief but useful checklist for your convenience.

We look forward to speaking with you very soon. Have a wonderful 2009!

Warmest Regards,
